

2022 Outreach Intern

Title: Outreach & Social Media Intern
Period: Fall - 10 weeks

Who We Are: The Quixote Center empowers vulnerable families and communities to become the artisans of their own destiny through transforming oppressive systems and structures. Inspired by liberation theology and Catholic Social Teaching, we do this through sustainable development, advocacy, economic justice, environmental, and educational initiatives. Our current focus is on Nicaragua and Haiti, where we support programs to empower impoverished families and communities, and support for migrants in Mexico and Central America, where we work to mitigate the damage of US immigration policies. Together with our partners, we dream of a world more justly loving.

Job Description:

- Create content for social media in the following areas:
    - Highlight work of Quixote Center
    - Call supporters to action on policy issues such as Title 42, MPP, ect.
    - Promote blog posts & press releases
    - Manage Weekly Artist corner
- Produce videos for Tiktok & social media promoting policy issues or calling attention to program areas
- Assistant with illustrations on case-by-case basis
- Write at least 2 blog posts over the course of internship
- Complete research project of choosing with 500 word-maximum policy memo OR draft press release

Qualifications:

- Highschool or college students, or recent graduate
- Must be able to attend in-person once or twice a week
- Interest in Latin America and/or the Caribbean, Sustainability, Immigration, Economic Justice, Nonprofit Sector
- Graphic design and/or video editing experience
- Excellent writing skills
- Strong Attention to Detail
- Self-Motivated
